

Not for Profit Association Liability Package

Making a real difference to the way insurance is provided
to the Not for Profit sector

Community Underwriting - Our Story

Community Underwriting operates under a unique business model in the Australian insurance market.

Our story begins over 25 years ago when the NSW Meals on Wheels Association (now Meals on Wheels NSW Ltd) assisted a few member Services that were having difficulty obtaining insurances at a reasonable cost.

That grew over the next twenty years into a comprehensive insurance facility assisting over 800 Not for Profits around Australia. In 2014 we created a change in the way that the facility provided insurance to Not for Profit organisations.

Today we are an underwriting agency majority owned by our larger Not for Profit clients, returning our surplus funds back into the sector.

Our 25 year heritage and being uniquely owned by the sector gives us a level of knowledge and empathy that is difficult to match in a corporate insurance organisation.

Our business model is tangible proof of this difference. Each year seventy percent of our surplus is returned to our Not for Profit shareholders as donations.

A further five percent of our surplus is set aside each year to fund a small grants program for our non shareholder clients. Our insurer partners now add to this grants pool to enable us to expand even further the number of clients that we are able to assist.

Join us in making a real difference to the way insurance is provided in our sector.

Notice of any Claim will be provided in the first instance in writing / by email to:

Community Underwriting
P.O. Box 173 Balmain East NSW 2014

or

admin@communityunderwriting.com.au

Notice must include but not be limited to a description of:

- 6.1.1 the nature of the alleged or potential Claim, the names of the actual or potential claimants and the date and manner in which the company or Insured Persons, as the case may be, first became aware of the claim; or
- 6.1.2 in respect to an Investigation, the nature of the investigation, the name of the official body conducting the investigation and the date and manner in which the company or insured persons, as the case may be, first become aware of the investigation.

Any notification, sent by post or email, will be effective from the date received by Community Underwriting.

6.2 Admission of Liability

In the event of any Claim, the Insured will not admit liability and no admission, offer, settlement, promise or payment will be made by the Insured without Our prior written consent.

6.3 Conduct of Claims

Following notification of any Claim or Investigation under this policy, We will be entitled to take over and conduct in the name of the Insured the investigation, defence or settlement of any such matter. The Insured will Cooperate with and give all such assistance as We may reasonably require.

6.4 Claim Settlements

We may at any time pay (or agree to pay) to the Insured in connection with any Claim or Claims the Indemnity Limit (less the Excess, any sums already paid and unpaid Defence Costs incurred with Our prior written consent) and upon such payment (or agreement to pay) We will not be under any further liability in respect of such Claim or Defence Costs except for Defence Costs incurred prior to such payment (or agreement to pay) with Our prior written consent.

In no circumstances will We be liable in respect of such Claim or Claims for an amount greater than otherwise provided for in this policy. In the event that:

- 6.4.1 We have made a payment in excess of the amount for which We would otherwise have been liable in accordance with the policy in respect of such Claim or Defence Costs, the Insured will refund to Us that proportion of the payment which exceeds the amount which We would otherwise have been liable for in accordance with the policy; and
- 6.4.2 We have agreed to pay an amount in excess of the amount which We would otherwise have been liable for in accordance with the policy in respect of such Claim or Defence Costs, Our liability in respect of such agreement will be limited to the amount which We would otherwise have been liable for in accordance with the policy.

6.5 Our and the Insured's Right to Defend

The Insured will not be required to contest any legal proceedings unless a Senior Counsel (to be mutually agreed upon by the Insured and Us or failing agreement to be appointed by the President of the Bar Association of the State or Territory of Australia where this policy is issued) advises that, taking due account of the interests of both Us and the Insured, the defence of such proceedings has reasonable prospects of being successful and should be contested having regard to the alternative to contesting the proceedings.

If the Insured wishes to continue to contest any Claim which We wish to settle, the Insured may do so. However, Our maximum liability in respect of that Claim will thereafter be limited to the amount for which the Claim could have been settled plus Defence Costs incurred with Our prior written consent up to the date upon which it would have reasonably settled the Claim, less any unpaid Excess or the final amount of the Claim including Defence Costs.

6.6 Excess

In respect of each Claim or loss covered by this policy the Insured is liable for the amount of any Excess stated in the Schedule and We will have no liability for the amount of any Excess.

6.7 Allocation

Where the Insured is entitled to indemnity pursuant to the covers under the heading 1. Insuring Clauses in circumstances where a Claim is made and part of that Claim for compensation arises out of, is in connection with or is related to facts or matters that are not covered by this policy then, Our liability under this policy is limited to that proportion of the Defence Costs which represents a fair and equitable allocation between the Insured and Us, taking into account the relative legal and financial exposures attributable to covered allegations and allegations that are not covered under this policy.

In circumstances where the Insured and Us cannot agree on an allocation between covered allegations and allegations that are not covered, the dispute shall be submitted to binding opinion from a Senior Counsel mutually agreed between the parties or, failing agreement, appointed by the President of the Bar Association of the State or Territory of Australia where this policy is issued.

The costs of opinion will be paid by Us and will not form part of the Defence Costs. The appointed Counsel shall determine the issue as an expert and not as an arbitrator. If allocation cannot be agreed in respect of Defence Costs, We may advance Defence Costs at our discretion until the allocation is determined by agreement, expert determination or judgement.

- 6.8.9 the basis of valuation for any Fidelity Loss will be determined by:

The bankruptcy or insolvency of the Insured will not relieve us of our obligations to prioritise payment of a Claim, liability, loss, cost, expense, Fine or Penalty under this Policy pursuant to this condition.
